

WELCOME TO OUR HOME

For your safety, we've made every effort to make our home accessible with minimal physical contact. We kindly ask that you follow these showing safety tips as you tour today.

Only principal buyers accompanied by their REALTOR are permitted to enter the home

Friends, extended family members and children must wait outside of the home during the showing.

Remove your shoes prior to entering the home

Please leave shoes outside of the home. If booties or face masks are provided, please utilize them.

Lights are on and doors are open

Please do not touch doors or light switches. Upon exiting, please leave as is.

Hand sanitizing stations

If available, please use the hand sanitizer provided and touch as few surfaces as possible.

Surface Sanitation

Please wipe down all surfaces touched with the supplied disinfectant wipes and dispose in waste bin.

Bathroom Rules

Please do not use the bathrooms in the home.

Please notify the listing agent when you have completed the showing! Thank you!
